

Refund Policy

A full refund will be given prior to the official start of a course session. Students must contact AIR Training Solutions by emailing office@airtrainingsolutions.com to request a refund. Students will have a 10-day grace period after the initial date of purchase to notify AIR that they wish to request a refund. Once it has been verified that the course was not started, the refund will be processed via PayPal minus a 5% transaction fee. After the 10-day grace period, the user is no longer eligible for a refund.

Students will have a 10-day grace period after the official start of a course (up to 10% of the slide viewing) to notify AIR Training Solutions if they wish to withdraw from the course and receive a store credit. These students will not receive a refund, but will be eligible for enrollment in a different course within the next 6 months.

Students who have completed a course are not eligible for a refund or store credit.
